TOWN WARRANT State of New Hampshire

To the Inhabitants of the Town of Acworth in the County of Sullivan in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Acworth on Tuesday, the ninth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will authorize the Selectmen to appoint a road agent.
4. To see if the Town will vote to accept the budget as submitted by the Budget Committee.
5. To see if the Town will vote to allow the Selectmen and the Town Treasurer to borrow money in anticipation of taxes.
6. To see if the Town will vote to allow the Selectmen to deliver Inventory blanks at the time of taking Inventory.
7. To see if the Town will vote to authorize the Selectmen to sell the Lucy Johnson lot so called.
8. To see what action the Town wishes to take to restrict the use of Town gravel to Town highway use.
9. To see if the Town will vote to sell the Town Hearse, or if not, what action they wish to take to preserve it.
10. To see if the Town will authorize the Selectmen and the Town Clerk to draw up a deed transferring the horse sheds and the land upon which they stand to the Congregational Church of Acworth and also the land upon which the Church stands, the latter to be bounded by the road between the Town Hall and the Church and the Church and the school and in front by the new road across the Common.
11. To see what action the Town wishes to take for the preservation of historical records.

12. To see if the Town will vote to close, subject to gates and bars, the road that runs from the Kenneth Bascom farm to the Charlestown line.

13. To see if the Town will vote to close, subject to gates and bars, the road that runs from the Kenneth Bascom farm to the Langdon line.

14. To see if the Town will vote to close, subject to gates and bars, the road that runs from the McCue farm to the Julius L. Christie farm.

15. To see if the Town will vote to close, subject to gates and bars, the road that runs from the Alice Holden farm to the Paul Brier farm.

16. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this 18th day of February, in the year of our Lord nineteen hundred and fifty-four.

FRED L. ROBBINS
KENNETH E. BASCOM
EDITH B. KEMP

Selectmen of Acworth

ROAD AGENT'S REPORT

To the Taxpayers:

The Town appropriated \$1,000 in 1952 for the purchase of a used truck to replace the present town truck. As nothing suitable was found the money was carried over in 1953.

A \$300 gravel scoop has been purchased and mounted on the tractor and was of great assistance in patching and gravelling short stretches of road in the summer.

A 1948 International truck was acquired for \$700 and has proved most satisfactory for gravelling, sanding, and general trucking. It is hoped that we may mount a light snow plow on this truck to plow our less hilly roads and after light snow storms. We feel that this is a much more economical truck to operate and maintain than one with four-wheel drive.

The Marmon-Herrington, now about 9 years old, is in poor condition. During 1953 it cost over \$1,500 in garage bills above and beyond its regular operating costs. Since January 1st it has cost another \$200 in garage bills and it is estimated that the loss of work by our employees because of breakdowns has cost the town an additional \$500 in the last year. There is an item in the 1954 budget for the purchase of a new four-wheel drive truck.

A five year road plan has been prepared, the details of which will be fully explained at town meeting.

It was necessary for the Selectmen to replace the road agent during the year, and it was felt advisable to make a second replacement in January of 1954 when a trained and experienced man indicated that he would assume the office. Our present road agent is Freeland Hemphill.

SILSBY FREE PUBLIC LIBRARY

'Trustees' Report - 1953

During the past three years through the summer season the library has been kept open somewhat irregularly one or more periods early in the week in addition to the period on Saturday afternoon. As a result the trustees are encouraged to believe that this would as a regular practice increase the usefulness of the library to the community. It has therefore been arranged to keep the library open this coming summer for one period early in the week as well as on Saturday afternoons. The trustees would welcome suggestions as to the days and hours for this additional service.

The trustees are eager otherwise to extend the usefulness of the library and wish to emphasize that the librarian will gladly try to borrow from the State Library or elsewhere such books as the residents may wish and the library does not own. It should also be made known that the Bookmobile every few weeks brings for short loan a considerable number of recent publications of varied sort from which the librarian may make selection. Residents who wish reading matter along any special lines are urged to leave or send to the library request for such books. As far as possible the Librarian will then choose books bearing on such subjects which the Bookmobile collection may have at the time.

Again this year the library met with a change when in April Mrs. Brang left town. Fortunately Mrs. Margaret Iliffe, who had assisted both Mrs. Barrett and Mrs. Brang, was able to take Mrs. Brang's place so there was no serious interruption in this service.

The standard system for keeping control of the book circulation has been essentially completed. The amount of the balance of funds on hand at the end of the year is chiefly due to the failure this year to buy library furniture provided for in the budget of this year.

Mrs. Thomas R. Potter was appointed member of the Board of Trustees in the place of Mr. Sheldon Allen who moved out of town.

Respectfully submitted

SCHOOL WARRANT

State of New Hampshire

To the inhabitants of the School District in the Town of Acworth qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the sixteenth day of March, 1954, at eight o'clock in the evening, to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors, and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of district officials and agents, and for the payment of statutory obligations of the district and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund, together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the district will vote to appropriate five hundred dollars (\$500.00) of the estimated balance for 1953-54 as a capital reserve fund.

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Acworth, I hereby submit my second annual school report as Superintendent of Schools:

The usual cleaning and repairing of minor damages, which occur during the normal year of a school building, were carried out during the summer months. Floors were scrubbed, sealed and waxed, desks cleaned and waxed, and windows washed. A few new "aeroplane" type desks were purchased.

An area to the north of the building was cleared and graveled for the erection of a merry-go-round, teeter-board and swings in a continuing effort to provide better recreational facilities. This has enabled the segregation of children into appropriate age groups during the recreation periods before, during and after school hours. The merry-go-round has proved most popular with the primary pupils.

Additional gravel was drawn to continue the landscaping program in front of the building. It is expected that this will be covered with loam and seeded during the summer months.

Mrs. Ethelyn Pierce, a graduate of U. N. H. and a teacher in Bradford for one year, was employed to teach the intermediate grades as a replacement for Mr. Harold Palmer. I believe she has done a very thorough job in teaching and regret that it was necessary for her to resign as of February 1. Miss Joan Worthley of Charlestown, who completed her cadet training at the Farwell School in North Charlestown and graduated from Keene Teachers College in January, was engaged to complete the school year 1953-54. Her most satisfactory work as a cadet teacher will enable her to continue an effective educational training for the pupils in grades four, five and six.

Mrs. Virginia Blake, who studied at Keene Teachers College during the past summer and who is taking an extension course during the second semester, has been most effective in helping boys and girls begin their school experiences in an atmosphere conducive to good learning. This early mastery of the fundamentals and development of good study habits is most essential for future success in school and life.

The music program was augmented by the employment of Mr. Paul Robbins as music supervisor. The additional emphasis was evidenced at the Christmas program. A musical program for presentation this spring will bring out more fully the additional offerings and training. The acquisition of a better piano has assisted all the teachers in their teaching of music.

The surplus foods received have enabled Mrs. Smith to provide excellent and well prepared meals. Parents' Club assistance on the hot lunch program is deeply appreciated.

The transportation problem has been greatly simplified by the awarding of a contract to Mr. Harvey Bascom and his purchase of a Ford station-wagon. The almost daily trips to the garage for bus repairs have been eliminated and is reflected in the financial report of the school district.

Permission has been received to dispose of the Buick ambulance which was used to transport children last year.

Mr. Bascom has also served the community well as a member of the school board. The school board members and I do, however, miss the wise counsel of Dr. Amsden.

Although the proposed budget shows a decrease in the assessment, this does not mean a lowering of standards or deprivation of essential materials. It does reflect the decrease in enrollment and previous purchases of equipment which lasts for several years.

The very excellent cooperation on the part of teachers, parents and school board members has enabled me to devote more time in assisting Unity, Lempster, Goshen and Cornish to study and make proposals for building programs which are badly needed. I wish to personally thank you for this cooperation and consideration of the needs of neighboring communities, and I know that the citizens of these communities appreciate your consideration of the limited time of the superintendent. I assure you that I will continue to give close attention to your educational problems.

Respectfully submitted,

RALPH H. MEACHAM,
Superintendent

SCHOOL NURSE'S REPORT

Good health has been defined as "a state of complete physical, mental and social well-being and the foundation of joyous, zestful living." This is the goal for which we are striving in our school health program.

Our school health program is carried out through the cooperation of the state, the local administrative staff of the schools, the teaching personnel, the parents, the pupils and the school nurse.

Our first concern is for the physical well-being of our children. The child who has some physical defect, no matter how minor, and is not given the benefit of needed medical care, certainly cannot be the happy child we would like him to be.

Routine inspections which are conducted in every school by your school nurse serve as a screening. These inspections consist of heights, weights, general condition, appearance, vision and hearing tests. If any defect is observed, a notice is sent home to the parents of the child. These notices in no way serve a diagnostic purpose. Your school nurse reports symptoms only. A reply to the notice, by the parents, is most desirable. If no reply is made, or if the parents request the nurse's assistance, she in turn makes a home visit to determine how she may best assist the parents in obtaining care for the child.

Many organization — federal, state, and local service organizations—stand ready to help in providing the necessary care for our children. If financial assistance is needed for eye care, service organizations such as the Rotary and Lions Club are very generous and helpful. The Sight Conservation Program, which is sponsored by the State Department of Public Welfare, is also available. Our same service organizations are also very interested in our hearing difficulties. There again, state assistance is available through the Crippled Children's Services. If the loss of hearing is due to a congenital abnormality which may be corrected, Crippled Children's Services will authorize treatment. Funds for hearing aids are not available through this service. We are dependent upon the N. H. Hearing Society, welfare agencies and service organizations for assistance in the purchase of hearing aids.

In the case of the retarded child or the child who has great difficulty in adjusting himself to school and his environment, the Child Guidance Clinic, under Dr. Philbrick, is available as a diagnostic clinic.

These are only a few of the many agencies which stand ready to assist our children whenever the need arises. They assume a share in the responsibility of keeping our children healthy, happy and well-adjusted.

The cooperation of each one of us is the important factor in the success of our health program.

In conclusion, I would like to thank each one of you for your interest and your help in carrying out this important program.

Respectfully submitted,

FLORENCE MACIVER,

School Nurse
